

Guardian Class 1 is for those working >25 hours as it says and Class 2 is for 20+ but less than 25 hrs as it says. Only form I have to have this week is if you choose to decline medical coverage then note and sign please.

Anthem only has an all-inclusive enrollment form, and we do not participate in everything they offer. Life, AD&D, LTD, Dental, and Vision are all included in Guardian. NOT Anthem.

On the attached Anthem form:

Ignore Section A

Disregard Section C 2-4 (Dental, Vison, Life, AD&D, etc...)

Disregard Section E (prior coverage)...unless Medicare is applicable

NO signature from spouse at bottom of enrollment obviously, as Life and/or Disability is not part of this form

SEC D is where you include you dependents.

SEC F (only if declining coverage)
